## THE COTTAGES

### SOBER LIVING FOR WOMEN

Welcome to a safe & supportive sober experience.

- Caring & Structured Environment
- Supportive Peer Recovery Network
- An Inspirational Experience

Founded by Amber Gerbitz-Knight in 2004 and built upon a foundation of “getting serious about recovery,” The Cottages in Huntington Beach have been a crucial part of hundreds of women’s long-term sobriety.

## MENTAL HEALTH & ADDICTION TREATMENT PROGRAM

Our clinically driven treatment program utilizes evidenced based therapeutic processes to facilitate lasting change in our client’s lives.

We are very experienced in in treating co-occurring issues like anxiety, depression, trauma, schizophrenia, bi-polar, & borderline personality disorder.

Our comprehensive program includes multiple ‘one-on-one’ clinical interactions per week, and we personalize the treatment components to best suit each individual.

## FIVE POINTS

### SOBER LIVING FOR MEN

“Welcome Home” to Recovery

Located in a vibrant neighborhood in Huntington Beach, Five Points is a sober living home where men can live and enjoy a solid support system as they re-integrate back into their careers or continue outpatient treatment.

Steve Knight founded Five Points in 2002. Our home has touched many men’s lives through our mission of sharing the experience and strength of how to live sober and truly enjoy the process.
